

We are a locally owned independent business that is committed to...

Strong Community

- Continuing to offer pro-bono services in the community and cultivating win-win-win solutions.
- Tapping or supporting resources in the community.
- Continuing to develop and transform ourselves to be better and better human beings.

Healthy Environment

- Reducing our consumption of new materials and products.
- Offering clients a location choice that involves less driving.
- Reducing our electric consumption by turning off lights when they're not in use and replacing all our incandescent light bulbs with compact fluorescents.
- Offering local organic food at events where we provide food.

Meaningful Employment

- Striving for balance between work and down-time.
- Maximizing our planning efficiency to work smart instead of merely working hard.

Buying Local First

- Continuing to "Think Local First" in all our purchasing decisions.
- Continuing to spread the word about supporting local independent businesses.
- Becoming well-informed about strategies that will reduce our federal tax burden.
- Continuing our research into green/ethical investing and alternative/complimentary economic structures.
- Continuing our learning about The Natural Step, Natural Capitalism, and Integral Sustainability.
