

We are a locally owned independent business that is committed to...

## Strong Community

- I will raise the percentage of profit given to local organizations; giving through the Whatcom Community Foundation.

## Healthy Environment

- I will purchase a hybrid biodiesel, or ultra low emission vehicle.
- We will add sustainability info to our receipts, invoices and literature.
- I will use natural carpeting and low VOC paint when remodeling.

## Meaningful Employment

- I will strive for more down time.
- I will talk to each employee on how to make a livable wage possible.

## Buying Local First

- I will build a sustainable profile.
- I will build a referral list of complimentary businesses to give to customers.
- I will finally read "Small is Beautiful."
