## **Event addresses solar power for Whatcom businesses**

ZOE FRALEY - THE BELLINGHAM HERALD

BELLINGHAM - Local businesses curious about solar power can get some of their questions answered Wednesday, Nov. 17.

Local nonprofit Sustainable Connections is hosting a Solar Power Happy Hour from 5:30 to 7 p.m. at its office, 1701 Ellis St., suite 221. The talk will address costs, feasibility, incentives and other questions local businesses might have about installing solar panels.

Three local businesses that install solar panels are offering a 5 percent discount to businesses participating in the Community Energy Challenge that buy and install solar panels after attending the talk.

People can RSVP for the event by calling 360-647-7093, ext. 108, or by sending an e-mail to [erin@sconnect.org](mailto:erin@sconnect.org).

Reach ZOE FRALEY at [zoe.fraley@bellinghamherald.com](mailto:zoe.fraley@bellinghamherald.com) or call 756-2803.
