Alpaca picnic, ewe check the tires: Whatcom County Farm Tour, Sept. 10

JUNE_HATHEWAY - SEATTLE PI

Looks like we're in for another gorgeous summer day in the 'ham. Why not get out and explore the county?

Sustainable Connections' Whatcom County Farm Tour is a free self-guided biking or driving (there are maps for both) tour that covers 10 farms, 2 wineries, and a cooking demonstration at the Bellingham Farmer's Market. There will be activities at each stop. Farm stops include Camelot Ranch Alpacas, Boxx Berry Farm and Edelweiss Dairy.
