Partner of the Month: Sustainable Connections

Our partner of the month is [Sustainable Connections](#). Bellingham Whatcom County Tourism was a proud sponsor of Sustainable Connections' annual [Farm Tour](#) last Saturday, September 11th. This event, now in its third year, is an amazing showcase of our local agricultural scene, which includes beautiful landscapes, tasty produce and products and compelling stories. Bellingham Whatcom County Tourism hosted 3 food writers from the Seattle area and visited some of the farms. Thank you Sustainable Connections for a fun, interactive and educational tour!
