The 9th annual Home & Landscape Tour brings you the best in sustainable materials, affordable design, and eco-friendly construction. Tour beautiful, innovative, and sustainable Northwest homes and landscapes. See brilliant design from the ground up and old-fashioned-meets-contemporary evolutions. Meet Whatcom County's finest pioneering green builders, creative garden designers, and aesthetical gurus. Get the inspiration and ideas you need to launch into your own home, lawn, or do-it-yourself ventures with ease.

Admission includes access to all tour stops, and a detailed tour map and resource guide to all about the products and services featured by local design enthusiasts. Come see why this is NW Washington's favorite eco-home tour.

Tickets are available at sustainableconnections.org, or at Village Books, Community Food Co-op, RE Store, Garden Spot Nursery, and Bakerview Nursery & Garden Center.

For more information, see sustainableconnections.org, or call 360-647-7093.
