

See how it's done sustainably

Published on Thu, Jun 17, 2010

Sustainable Connections' Eighth annual Imagine This! home and landscape tour showcases the best examples of natural, eco-friendly homes and landscapes.

Visit local homes and businesses utilizing the latest in green design, reclaimed materials, renewable/solar energy, LEED for homes, permaculture and low maintenance, low cost landscapes. In addition, this year's tour provides rain garden and rain barrel 'how to' demonstration projects and an urban chicken Tour de Coop!

The tour takes place on Saturday & Sunday, June 26 & 27 from 10 a.m. to 5 p.m.

Tickets are \$12 per person (kids 12 and under are free) available at Village Books, Community Food Co-op, Re Store, and Bakerview Nursery and online at www.brownpapertickets.com/event/113519
