Registration is now open for Sustainable Connections' Future of Business Conference, to be held from 8:30 a.m. to 4 p.m. on Friday, April 27, at Whatcom Community College.

The conference is an annual forum for local businesses and organizations to share profitable business ideas that benefit the community and the environment, organizers say.

It will begin with an opening reception at 5:30 p.m. on Thursday, April 26, at the Whatcom Museum Old City Hall. The reception will feature keynote speaker Jason McLennan, CEO of the Cascadia Green Building Council and an influential figure in the green-building movement.

Registration before April 2 is \$99 for Sustainable Connections members and \$109 for nonmembers.

More information can be found under the events section of Sustainable Connections' website, www.sustainableconnections.org.
