

COME VISIT THE FREEDGE!

Have you heard of a Freedge? It is a community refrigerator packed with free nutritious food that aims to break down barriers to food access. Open to all! Expect to find the Freedge packed Tuesday - Saturday with individual portions of surplus food from local restaurants, garden produce, and shelf stable pantry items. Make sure to tell your friends!

Located at 2316 Kulshan St. Bellingham, WA 98225
Behind The RE Store near The RE Patch community garden

Open Tuesday - Saturday 11am - 6pm

The Freedge is not open for food access outside of these hours.

For more information contact our team at FoodRecovery@sustainableconnections.org

Opening in
October!

The Freedge is a collaboration of Sustainable Connections Food Recovery Program and The RE Store. Open to all! Please follow best food handling practices when visiting the Freedge.

- Do not visit the Freedge if you are feeling ill.
- Shop with your eyes first.
- Touch only what you plan to take.
- Take only what you need and leave what you do not.
- Wipe up any spills or messes you create.
- Please shut the Freedge door tight when you are done "shopping".
