

# FREEDGE VOLUNTEER EXPECTATIONS

For all questions Freedge please contact the Food Recovery Program Team at [foodrecovery@sustainableconnections.org](mailto:foodrecovery@sustainableconnections.org) or call (360) 647-7093 Ext 119

**Freedge hours of operation Monday – Saturday 10AM-6PM**

All volunteers are pre-scheduled and trained by the Food Recovery Program. To find out how you can get involved as a volunteer please contact the Food Recovery Program.

## 1. Freedge stocking procedures:

- Donations will be picked up daily from Food Recovery Program participating businesses and driven directly to the Freedge.
- All items need to be labeled for contents and date prepared by the commercial donors or by volunteers using program specific labels.
- Report Food Recovery Program recovery data using the QR code

## 2. Monitoring procedures:

- Temperature needs be taken daily. Temperature is best taken by stacking two wrapped items together and waiting a few minutes for a correct reading.
- Check Freedge for spoiled food, eliminating items that are no longer suitable for consumption or do not fit donation rules.
- Sort all removed food items into the waste station provided near the Freedge. Pay close attention to what is compostable, recyclable, or landfill material.

## 3. Cleaning procedures:

- Wipe out the Freedge including shelves and bottom of the unit using the cleaner and towels provided.
- When garbage receptacles are full, please move full trash bags to the garbage area. Please replace liners to cans and secure supplies.
